*Premium Series*

Unveil nature's beauty and richness...

Another innovation by Novik®

Discover our new series of premium stone panels, NoviStone™F5, NoviStone™RR, NoviStone™PHC, and NoviStone™DS. Traditional yet contemporary, the NoviStone™ Premium Series boasts the authenticity of fieldstone, river rock, hand-cut stone and dry stack stone.

### Texture and technology

Novik® possesses the technology and expertise to insure high quality products with authentic look of natural materials. Our latest research has enabled us to create greater detail with and a more finely textured finish, in addition to using a process of layering subtle colors therefore achieving an uncommonly convincing reproduction. It not only looks like real stone, it feels like it too.

### Exclusively Novik®

When it comes to innovation, Novik® is on the cutting edge. We excel in the art of designing unique products with the look of traditional materials. Made from superior quality polymers, Novik® siding panels are equipped with an ingenious assembly system. Novik® is the only manufacturer that produces these exclusive products.

### Limited lifetime warranty

Novik® products are manufactured according to strict standards with rigorous quality controls. Laboratory-tested, they meet the requirements for resistance to wind, impact and discoloration.

Novik® guarantees you certified state-of-the-art products that last.

### Maintenance free

As with all Novik® products, NoviStone™ Premium Series panels require no special care or maintenance.

### Easy economical installation

Novik® has developed a state-of-the-art technology that makes installation fast and easy. Our Fast-Fit™ technology is designed to be both simple and smart:

# The Suburbanite

The perfect home to start a family: solid and safe. Built with sturdy stones harvested by the hands of our ancestors, it's a spacious, welcoming place. We've created an old-fashioned stone for the modern world: fieldstone with a rustic appeal that works with contemporary architecture and earth tones that reflect today's trends.
