

wovin wall®

wovin®

Project: I-Square
Firm: Benoy HK
Location: Hong Kong
Material: Polypropylene Opaque Red

versatile / striking / beautiful

Wovin Wall® creates a powerful statement and provides design solutions for interior walls and ceilings unlike any other product. An elegant, simple, lightweight and decorative tile system that is easy to install and can be fixed to most walls or ceilings.

Wovin Wall® is a modular system that can be extended in any direction and customised to suit most spaces. For those spaces that change frequently (such as exhibition and retail spaces), the modular nature of Wovin Wall® is the perfect medium to reflect new colour schemes, product launches or seasonal changes.

Project: URSA Capital
